## Barricade press-on Mats

Tile grout is not only hard to clean, it can retain unpleasant odors. Whether it is urine or water splash, both can cause tile and grout to discolor and floors to become slippery. Impact's BARRICADE Urinal and Hand-Dryer Mats add another line of defense to further promote a healthier and safer restroom environment as well as a more positive guest experience. Designed to absorb 16 ounces (Urinal Mats) and 32 ounces (Hand-Dryer Mats) of fluid, the mats reduce the danger of slipping, preserve the integrity of floors and grouting, and minimize tracking throughout your facility.
