### 9400 & 9480 Series' Urinal Screen

- block is enclosed in water-soluble wrap
- cleans and deodorizes up to 30 days; built-in hook for easy removal
- pliable screen traps more debris for extra drain protection
- non-splash design keeps liquids where they belong
- 9480 series has blue dye indicator

### 9450 Series Rim Cage

- lasts up to 30 days
- fits over the rim of most toilets
- hugs the toilet so it won't fall off

### 9423 3-oz. Urinal / Toss Block

- block enclosed in water-soluble wrap
- easy to use: simply toss in the urinal
